

## Government Websites

### **Carbon Dioxide Information Analysis Center**

Primary global-change data and information analysis center of the U.S. Department of Energy (DOE).

URL: <http://cdiac.esd.ornl.gov>

### **Department of Environmental Conservation (DEC)**

**Highlights of New York's plan for reducing energy costs, curbing pollution and addressing global climate change.**

URL: <http://dec.ny.gov/environmentdec/32468.html>

### **National Oceanic and Atmospheric Administration (NOAA)**

Frequently Asked Questions about Global Warming

URL: <http://www.ncdc.noaa.gov/oa/climate/globalwarming.html#INTRO>

### **U.S. Environmental Protection Agency/Climate Change (EPA)**

Comprehensive information on the issue of climate change.

URL: [www.epa.gov/climatechange](http://www.epa.gov/climatechange)

### **U.S. Environmental Protection Agency/Climate Change Information for Kids**

URL: [www.epa.gov/climatechange/kids/index.html](http://www.epa.gov/climatechange/kids/index.html)

## Misc. Web Resources

### **Carbon Footprint**

A carbon footprint is a calculation of the CO2 fossil fuel emissions each person is responsible for, either directly because of his/her transportation and energy consumption or indirectly because of the manufacture and eventual breakdown of products he/she uses. **Calculate your own carbon footprint on the website.**

URL: <http://www.carbonfootprint.com>

### **Climatebiz**

Business resource for climate management

URL: <http://www.climatebiz.com>

### **eeGlobal Forum**

Global Forum and Exposition on energy efficiency Nov. 11-14, 2007 Washington, D.C. Convention Center

URL: <http://www.eeglobalforum.com>

### **Greenbiz**

Environmental information, tools and data aimed at aligning environmental responsibility with business success.

URL: <http://www.greenbiz.com>

### **Live Earth 7.07.07**

**The Concerts for a Climate in Crisis.**

Live Earth, the worldwide musical event, will use the global reach of music to engage people on a mass scale to combat the climate crisis.

Adapted from Live Earth, LLC © 2007

URL: <http://www.greenbiz.com>

### **National Geographic.com**

Online magazine article ***Al Gore's 'Inconvenient Truth' Movie: Fact or Hype?*** By Stephan Lovgren.

URL: <http://news.nationalgeographic.com/news/2006/05/060524-global-warming.html>

### **New Scientist Environment.com**

Online science news magazine with an environmental focus.

Updated frequently.

URL: <http://environment.newscientist.com/home.ns>

See May 2007 issue of **New Scientist Environment.com** for **Special Reports: Climate Change**

URL: <http://environment.newscientist.com/specials.ns>

### **Science and Technology Sources on the Internet: Global Warming and Climate Change Science**

Comprehensive listing of diverse resources compiled by K.T.L. Vaughan, North Carolina State University. Includes Government agencies, "Skeptics" organizations, resources for families, links to journals, and more.

URL: <http://www.istl.org/o1-fall/internet.html>

### **The Weather Channel**

Position statement on Global warming broken down into three Main questions: Is global warming a reality? Are human activities causing climate change? What are prospects for the future?

URL: <http://environment.newscientist.com/home.ns>

# GLOBAL WARMING:

## A Guide to Clifton Park-Halfmoon Public Library's Resources

### Climate Change or Global Warming?

The terms are often used interchangeably, but according to the National Academy of Sciences, "the phrase 'climate change' is growing in preferred use to 'global warming' because it helps convey that there are [other] changes in addition to rising temperatures."

475 Moe Road  
Clifton Park, NY 12065

## Books

Call Numbers/Subject Areas to browse in Adult and Children's  
Non-fiction: 363.73's and J363.73's; 550;551.5;551.6

Or, try these keywords in the online catalog search box:

- Global Warming
- Greenhouse Effect
- Climate Change
- Climate Crisis

Caldicott, Helen  
**Nuclear Power is Not the Answer**  
333.792 Cal

Flannery, Tim F.  
**The Weather Makers: the history and future impact of climate change**  
551.5 Fla

Gelbspan, Ross  
**Boiling Point: how politicians, big oil and coal, journalists and activists are fueling the climate crisis—and what we can do to avert disaster**  
363.738 Gel

Goldstein, David B., Ph.D.  
**Saving Energy, Growing Jobs: how environmental protection promotes economic growth, profitability, innovation, and competition**  
333.79 Gol

Gore, Albert  
**An Inconvenient Truth: the planetary emergency of global warming and what we can do about it**  
363.73 Gor

Henderson, Hazel  
**Ethical Markets: growing the green economy**  
338.9 Hen

Hunter, Robert  
**Thermageddon: countdown to 2030**  
363.73 Hun

Kolbert, Elizabeth  
**Field Notes from a Catastrophe: man, nature, and climate change**  
363.738 Kola

Lovelock, James  
**The Revenge of Gaia: earth's climate in crisis and the fate of humanity**  
550 Lov

Lynas, Mark  
**High Tide: the truth about our climate crisis**  
363.738 Lyn

Romm, Joseph, J.  
**Hell and High Water: global warming-the solution and the politics-and what we should do**  
363.738 Rom

Steinman, David  
**Safe Trip to Eden: 10 steps to save planet Earth from the global warming meltdown**  
551.6 Ste

Weart, Spencer  
**The Discovery of Global Warming**  
551.6 Wea

## Other Resources

### Databases

**Full-text Magazine articles** are available through the database **EBSCO MasterFile Select**. Patrons may use this resource within the Library or remotely with their Library card, through our website @ [www.cphlibrary.org](http://www.cphlibrary.org)

On left-hand side of Library's home page, follow links: **Internet Research** to **Databases** to **Magazines & Newspapers**, and then to **EBSCO MasterFile Select**. Within Database, click box for full text.

**Some suggested keywords:**

- **Global Warming; Climate Change; Greenhouse Effect; CO2 and Environment; Global Environment**

Full-text encyclopedia articles are available through the database **Grolier Online Passport**. Search 6 encyclopedias at the same time and find articles and related, linked information, including multimedia. Patrons may use this resource within the Library or remotely with their Library card, through our website @ [www.cphlibrary.org](http://www.cphlibrary.org)

On left-hand side of Library's home page, follow links: **Internet Research** to **Databases** to **Reference**, and then to **Grolier Online**.

### Listservs/Mailing Lists

#### **CataList**

Official online catalog of LISTSERV® mailing lists for purposes of topical discussion. Over 50,000 public lists. Search catalog by keywords for a mailing list of interest.

### Non-profit Websites

#### **Alliance to Save Energy (ASE)**

Group dedicated to promoting energy efficiency worldwide for economy, environment and security.

URL: <http://www.ase.org>

#### **Center for International Earth Science Information Network (CIESIN)**

A Center at the Earth Science Institute at Columbia University, CIESIN works at the intersection of social, natural and information sciences.

URL: <http://www.ciesin.org>

#### **Climate Connections from NPR and National Geographic**

A collaborative, comprehensive mixed-media resource.

URL: <http://www.npr.org/climate>

#### **Clinton Climate Initiative (CCI)**

Organization dedicated to tackling climate change by developing and implementing a range of actions that will accelerate greenhouse gas emissions reductions.

URL: <http://www.clintonfoundation.org>

#### **Grist**

Environmental news and commentary, updated daily.

URL: <http://www.grist.org>

Read the April 4, 2007 edition of **Grist** for a timely, thought-provoking article Rogers and Me: An interview with **Duke Energy CEO Jim Rogers** by Amanda Griscom Little.
