Hello Song: (Loudly)

If you're happy and you know it, clap your hands

If you're happy and you know it, clap your hands

If you're happy and you know it and you really want to show it if you're happy and you know it
clap your hands

If you're happy and you know it, stomp your feet

If you're happy and you know it, stomp your feet

If you're happy and you know it and you really want to show it if you're happy and you know it
stomp your feet

If you're happy and you know it, jump up and down

If you're happy and you know it, jump up and down

If you're happy and you know it and you really want to show it if you're happy and you know it
jump and down

(Softly) If you're happy and you know it, sit on the ground

If you're happy and you know it, sit on the ground

If you're happy and you know it and you really want to show it if you're happy and you know it
sit on the ground
