### Opening Song: I'm Going Down to the Library

by Michael Mark & Tom Chapin, © 1989 HCD Music & The Last Music Co. (ASCAP)

Chorus:

I'm going down to the library.

Picking out a book,

Check it in,

Check it out.

Gonna say hi to the dictionary.

Picking out a book.

Check it in,

Check it out.

Now I like books and they like me.

So when I go to the library,

I sit down in my favorite chair and check to see who's there.

Maybe one book, maybe two,

"Take me home," says Winnie the Pooh.

"And if we have to travel far, I'll bring my honey jar." Oh...

Chorus:

I'm going down to the library.

Picking out a book,

Check it in,

Check it out.

Gonna say hi to the dictionary.

Picking out a book.

Check it in,

Check it out.

### Action Rhyme: Little Birdies song

Way up in the sky (jump high)

The little birds fly (flap arms)

While down in the nest (form nest with arms)

The little birds rest (hands next to head like napping)

Shhh! They're sleeping. (stage whisper shh! say quietly they're sleeping)

With a wing on the left (fold left arm under)

And a wing on the right (fold right arm under)

The little birds sleep (hands next to head like napping)

All through the night.

Shhh! They're sleeping. (stage whisper shh! say quietly they're sleeping)

The BRIGHT SUN COMES UP! (Yell it out and jump high with arms above head)

The dew goes away (hands like banging on a keyboard)

Good morning, good morning, the little birds say (raise arms up and down)

**Flannel Board:****Five Little Clouds.**

Five little clouds, so white and plain.

The first one said, "I want to make it rain!"

The second one said, "Where are we?"

The third one said, "In the sky, don't you see?"

The fourth one said, "Let's go, go, go."

The fifth one said, "Look out below!"

Then out came the stars, out came the moon,

And the clouds rolled away but they'll be back again soon!

**Goodbye Song**

*(to the tune of the Farmer in the Dell)*

It's time to say goodbye. It's time to say goodbye

Let's clap our hands with all our friends. It's time to say goodbye

Let's wave our hand like this. Let's wave our hands like this

Let's wave our hands with all our friends. Let's wave goodbye like this.
