

CONTINUATION OF SERVICES

Based on the Center for Disease Control's (CDC) guidance and metrics for operating public-facing institutions, and using our collective experience from the last 18 months, we will continue to provide quality library services while keeping staff and patrons safe. The library will track metrics for up to 14 days before adjusting the level of library service.

This link provides up-to-date information on current Metrics: <https://covid.cdc.gov/covid-data-tracker/#county-view>
