I. Purchasing Statement

The Clifton Park-Halfmoon Public Library dedicates itself to the procurement of the right goods and services at the best value for the Library in a timely manner assuring the prudent and economical use of public monies. We will facilitate the acquisition of goods and services in the best interest of the taxpayer and at the same time guard against favoritism, extravagance and fraud.

II. Introduction

It is, therefore, essential that the purchasing policies and procedures of Clifton Park-Halfmoon Public Library be clearly established and understood by all concerned.

The Purchasing Manual has been prepared at the direction of the Clifton Park-Halfmoon Public Library Board as a statement of the policy upon which our purchasing practices and procedures are based.

The Library declares its intention to purchase competitively without prejudice and to seek maximum operational value for every dollar expended.

III. Purchasing Guidelines

All employees shall maintain effective and professional public, vendor and customer relationships.

To maintain a high level of quality service to our customers, we encourage our staff to participate in the numerous educational opportunities offered in the purchasing field; and to keep abreast of current developments in market conditions, pricing, new products and New York State laws as they pertain to the purchase of goods and services for the Library.

The purchasing procedures shall be administered in accordance with the Library's Conflicts of Interest Policy.

The purchasing procedures employed will comply with all applicable laws and regulations of New York State and shall be subject to the approval of the Library Board.

Each procurement request will be processed according to the guidelines set forth under the appropriate section of the attached Purchasing Procedures. The individuals responsible for purchasing are listed in Appendix E.

The Clifton Park-Halfmoon Public Library will maintain adequate documentation of all action taken in connection with each method of procurement. Such documentation shall include but not be limited to any and all pertinent Board resolutions, memoranda, written quotes, contracts and any other appropriate form of documentation.

When soliciting bids, certain specifications will be provided to suppliers relevant to that bid that will be incorporated into contracts awarded for the purchase of materials, equipment and services.

By adopting this purchasing manual the Board authorizes the Library Director or Business Manager to obtain all goods and services required and necessary for the operation of the Library by all means legally available by New York State law at the time of the purchase.

Supplies used by various Library departments should be uniform whenever consistent with operational goals, in the interest of efficiency and economy.

Credit Cards shall be issued on an individual basis with the approval of the Board. Procedures covering their use are found in Appendix D.

No official or employee will have a financial interest in contracts entered into by the Library (as defined in Section 800 of General Municipal Law). This also precludes acceptance of gratuities, financial or otherwise, as stated in the Clifton Park-Halfmoon Public Library Conflicts of Interest Policy.

The Clifton Park-Halfmoon Public Library will not be deemed responsible for any commitment made circumventing these procedures. If Library procedures are circumvented, disciplinary action may be taken and the party making said commitment may be held responsible for any costs incurred by the Library.

Library staff will annually review the Purchasing Policy and Procedures Manual and recommend modifications as necessary to the Library Board.

The unintentional failure to fully comply with the provisions of General Municipal Law Sections 103 and 104-b shall not be grounds to void any action taken or give rise to cause of action against the Clifton Park-Halfmoon Public Library, or any officer or employee thereof.

IV. Purchasing Procedures

Purchases of supplies and services involving an estimated overall annual expenditure by the Library in excess of the limits in accordance with current General Municipal Laws will be awarded only after public advertising and solicitation of formal bids, or use of other appropriate means as allowed by law. Excluded from this are professional services, which are secured through a Request for Proposal.

Legal notices are published in the official Library newspapers, informing the public of the products or services being bid as well as being posted online as deemed appropriate.

Where formal bidding procedures are not required by law and/or resolution, pricing will be solicited by the Library pursuant to the procedure set forth in Section 104-b of General Municipal Law and this document.

The only exceptions are for procurement made pursuant to General Municipal Law section 103 (3) (through certain county contracts), section 104 (through certain State and Federal contracts), State Finance Law section 162, Correction Law sections 184 and 186 (from “preferred sources” including articles manufactured in correctional institutions).

All quotations not secured by the Library shall be done by use of the attached “Verbal Quote Form”, or written quote/invoice from a vendor. This form is available to all employees upon request.

After solicitation for a particular procurement is made, the Business Manager or Director, with counsel from the Library Attorney or others as deemed necessary at the time, may choose to award to other than the lowest responsible dollar offeror. In such a case, the Business Manager or Director shall provide written justification for such action, and any other appropriate documentation will be added to the bid folder.

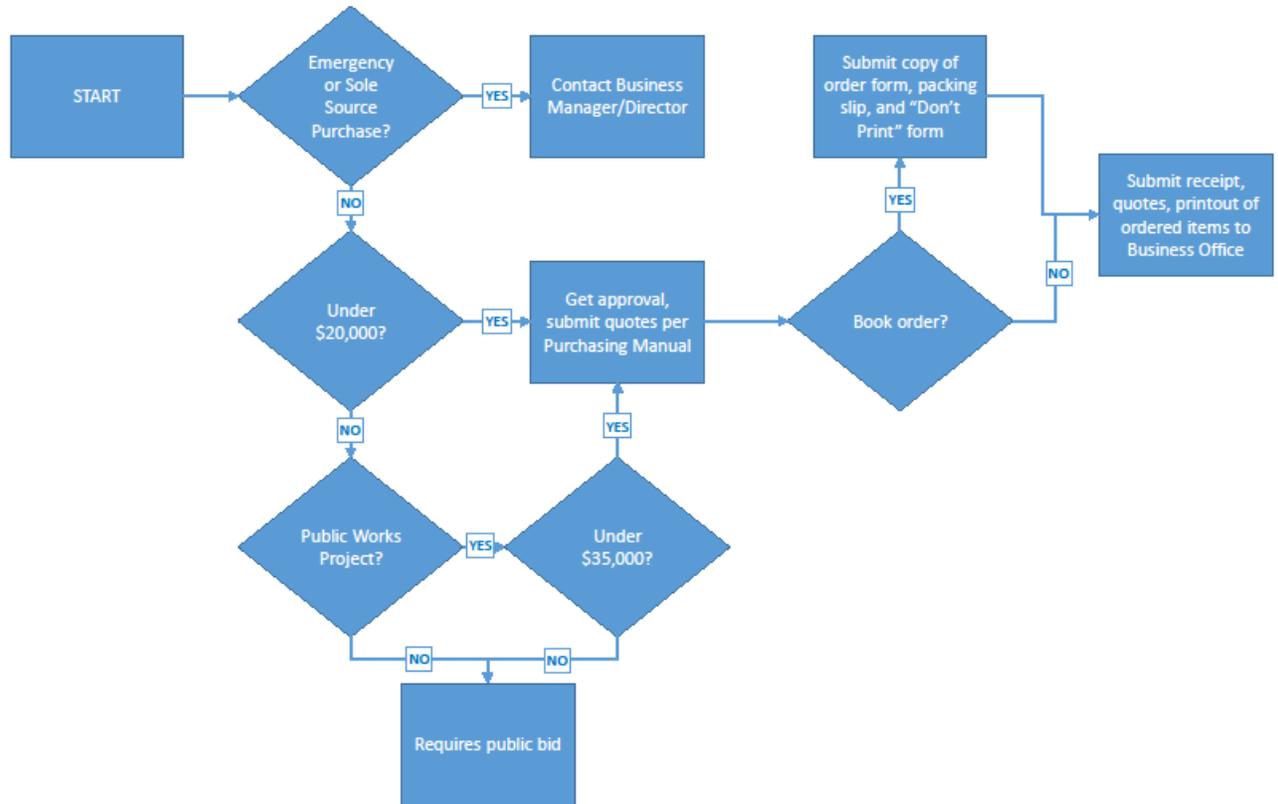

In certain situations, solicitation of alternative proposals or quotes is not practical. These may include: emergencies, true leases and sole source situations and

combinations of professional services/purchases. In each of these cases, the requesting department and Business Manager shall analyze, justify and clearly document the reasons behind the award. No awards shall be made before contacting the Business Manager or Director. In these cases, the “Verbal Quote form”, or written quote/invoice from a vendor, shall be used as a basis to establish pricing and a contract.

V. Purchasing Matrix

* Including any total purchase over \$20,000 for a like item in a 12-month period.

Only the Director, the Business Manager or other agents of the Clifton Park-Halfmoon Public Library, as listed in the Authorized Purchasing List, may purchase on behalf of the Clifton Park-Halfmoon Public Library for purchases. Further, with the few exceptions including those purchases requiring action to secure the immediate safety of the staff and public, all purchases require advanced planning and the proper preparation of a purchasing documentation.

The materials, equipment, supplies and services to be purchased shall be of the quality and quantity required to serve the functions of the Library in a satisfactory manner, as determined by the department heads and recommended to the Director.

It is the responsibility of each department head to secure the appropriate bids or to investigate alternative supplies to ensure the most economical purchase of required items. The Director or designee shall have the final authority on all purchasing decisions.

All purchases will have a budgetary appropriation. All budgetary transfers will be reported to the Board of Trustees and their approval documented.

- Copy of written quote from vendors
- Hard copy print-out of items ordered on-line

VII. Sole Source and Single Source

A sole source can be a manufacturer, software developer or service provider that sells direct and there are no other sources offering that product or an “or equal” product. Prior to a vendor being considered a sole source, a letter on the manufacturer’s official letterhead must be on file with the Library detailing their sole source status.

A single source could be a distributor/wholesaler/retailer that has a contractual agreement for a specific territory to the exclusion of others. Should you have a situation involving a single source supplier, a letter on the manufacturer’s letterhead must be on file with the Library confirming the single source authorized vendor.

VIII. Emergency Purchases

By accepting this purchasing manual by means of resolution, the Board authorizes the Director or Business Manager to act in its behalf in declaring emergencies when in the best interest of the Library.

An emergency as defined by New York State is “any unforeseen event or situation that has transpired and has been determined to be an imminent threat to life or property and does not allow the Library to safely follow the normal regulations set forth in General Municipal Laws 100 – 104b.”

An emergency procurement is one in which an urgent and unexpected situation occurs where health and public safety or the conservation of public resources is at risk. Where an emergency exists, the Library may issue procurement contracts without complying with formal competitive bidding requirements. However, a reasonable attempt should be made to obtain at least three oral quotes. Failure to properly plan in advance – which then results in a situation where normal practices cannot be followed, does not constitute an emergency.

The Business Manager or Director will not approve an emergency purchase when the purchase is not justified, where the purchase is being made to circumvent established procedures or where there is lack of proper planning.

The Library Board will be informed as soon as possible when emergency purchases of a significant cost are made.

IX. Planning

Once a need has been determined, within budgetary limitations, authorized purchasers may contact the Business Manager to help develop the specification for the quote or bid to get the best value possible for the expenditure of tax dollars.

X. Prepayments

Clifton Park-Halfmoon Public Library takes the position, consistent with New York State Municipal Law (369); the State Comptrollers Opinion 81-83 and Opinion 81-90; and good business sense, that prepayments should not be made using Library funds. This constitutes a gift or loan of public funds to a private entity in violation of the State Constitution Article VII.

XI. Delayed Deliveries and Inferior Materials

There may be occasions when inferior goods or services are received or the goods or services are not received in a reasonable amount of time. If this should occur the authorized purchaser should report the problem to the Business Manager or Director as soon as possible.

The Business Manager or Director will contact the vendor to resolve the problem; if necessary the Library Attorney will be contacted for assistance.

XII. Department of Labor - Notice to Withhold Payment

On occasion the New York State Department of Labor, Bureau of Public Work, upon receiving complaints for non-payment of prevailing wages, shall direct the Library to withhold monies due to a vendor. These monies are held until notification is received from the Department of Labor as to how they are to be disbursed.

XIII. Petty Cash

The custodian of the petty cash fund will request replenishment of the fund in advance of its depletion. An itemization of the disbursements made from the petty cash fund and a grand total of the claim will be attached to the actual documents supporting each petty cash transaction. Petty cash claims will be included on the warrant quarterly for review.

XIV. Competitive Bidding

Competitive bidding is required under the following General Municipal Law sections 103 and 104-b require annual purchase contracts exceeding \$20,000 and public works contracts exceeding \$35,000 be awarded to the lowest responsive/responsible bidder meeting the intent of the specifications after public advertising requesting submission of sealed bids.

Any time an item or project involves labor or both materials and labor (other than simple delivery of goods) it qualifies as a public works contract. Examples include contracts for construction, demolition, remodeling, maintenance, painting, paving and repair contracts, and lawn maintenance or snow removal.

In determining the necessity for competitive bidding, the **aggregate cost** of like items or commodities estimated to be purchased by the Library in a 12- month period beginning on the date of the first purchase are considered.

The Business Manager shall prepare bidding specifications; all bids shall include a non-collusion certification and indemnification agreement and all other documents required by General Municipal Law.

Formal bids/quotes containing a renewal clause shall be for a term of 12 months with optional renewals for two- twelve months periods if mutually agreeable by the vendor and the Clifton Park-Halfmoon Public Library Board. Exceptions to this are for contracts such as elevator maintenance, software, etc. where a vendor will not enter an agreement at certain pricing unless it is for a longer specified period of time.

The advertisement for bids shall at a minimum contain a description of the goods and/or services being solicited, a statement of the time and place where all bids will be publicly opened and read, the time and place of any pre-bid meetings and a description of where and how bid documents may be obtained. All bid openings will be conducted at a public meeting and all interested parties may attend.

Lists of recipients of bid documents shall not be released prior to a bid opening as this may adversely affect the bids received and/or encourage collusion. Any requests received by a Library department for this information are to be directed to the Business Office.

After the public opening of a sealed bid, a tabulation sheet shall be prepared recording all pricing as submitted by the responding vendors. The Business Manager shall evaluate the bid responses and prepare a bid evaluation. This, along with the tabulation sheet, copies of the bid responses and all supporting documentation needed to evaluate the bid responses, shall be reviewed by the department requesting the goods or services.

Once the requesting department and the Business Office are in agreement as to the responsive/responsible vendor, a recommendation shall be presented to the Board for final award. The requesting department shall also be responsible for submitting any contract renewals with the proper supporting documentation.

When laborers, workers or mechanics are employed, they are entitled to prevailing wage rates according to Article 8 of the New York State Labor Law, no matter what the dollar amount. Payment for services will not be made until certified payrolls are received by the Business Office. Certified payrolls are required to be kept on file by the Business Office.

XV. Bid Approval Process

Contracts for goods and services will be awarded by the Clifton Park-Halfmoon Public Library Board after the following conditions are met:

1. Sufficient appropriations are contained within the current budget (or budget transfer has been completed).
2. The bids are reviewed to ensure they meet the intent of the specifications.
3. The award is made to the bidder submitting the lowest responsive and responsible bid per specifications or best value.
4. The requesting department shall document the rejection of any low bid deemed non-responsive or non-responsible. The vendor may requests to meet with the Business Manager, Director, or Library Attorney to discuss the rejection. The documentation detailing the rejection shall be attached to the bid evaluation form in the bid folder.

XVI. Conflicts of Interest

Library employees and trustees are required to sign and comply with the Library's Conflicts of Interest Policy and Whistleblower Policy

XVII. Certificates of Insurance

The Clifton Park-Halfmoon Public Library maintains evidence of vendor insurance, with ACORD forms on file for vendors who provide services to the Library.

Before the Library can enter into a contract with a vendor, valid insurance forms must be on file; this includes proof of worker's compensation and disability forms as required by New York State Workers' Compensation and Disability Benefits Laws plus any additional insurance as indicated in bid, quote or proposal specifications.

XVIII. Standardization

General Municipal Law Section 103 makes it possible for the Library to standardize on a particular type of material or equipment. A resolution approved by at least two-thirds majority of the Library Board shall state that there is a need for standardization for reasons of efficiency or economy. The resolution shall contain a full explanation supporting such action.

The adoption of such a resolution does not eliminate the necessity for conformance to the competitive bidding requirements. Standardization restricts the purchase to a specific model or type of equipment or supply, but does not limit the vendors it can be purchased from.

Standardization should be used very sparingly and only after careful consideration of the ramifications to future purchases and maintenance costs.

XIX. Bidding Timeline

The following list represents the minimum time required to complete a bidding cycle.

Not all items pertain to all bids. Contact the Business Office before starting any project requiring a bid. This list is meant as a guideline, not a hard and fast rule. Times may be shorter or longer depending on the circumstances.
